

GRADUATE, REALTOR® INSTITUTE

Graduate, Realtor® Institute (GRI) Designation

The GRI designation is a powerful tool to attract and build new business.

You'll increase your skill level across the entire landscape of real estate with in-depth training in legal and regulatory issues, technology, professional standards, and the sales process.

The GRI designation lets your buyers, sellers, and fellow real estate professionals know that you are committed to the highest level of professional service.

If you are a member of the National Association of Realtors® (NAR) in good standing, you can earn the GRI designation by completing the Realtor® Institute Program offered through state Realtor® associations.

You can get 45 Sales Associate Post Licensing Hours by completing the GRI 100 series.
